Kenneth Chow, Event Director
660 4th Street, Suite 328
San Francisco, CA 94107

Dear Mr. Chow,

Thank you so much for the wonderful food and service you provided at our annual Pantry Coordinator Appreciation Luncheon on November 1st at City Hall. The tables looked beautiful, the food was delicious, and your customer service was of the highest value.

Not only was the event such a success, you were amazing to work with throughout the entire planning process. I especially appreciated your flexibility with all my many requests.

Thank you again!

Most Sincerely,

A handwritten signature in black ink, appearing to read 'Jerusha Breslar', with a long horizontal line extending to the right.
